Together We're Improving Access to Care in Kansas

United Health Foundation's America's Health Rankings® Ranks Kansas:

#31 in the nation for number of **primary care physicians**

#30 in the nation for **clinical care**

Connecting Kansans to Culturally Competent Care:

United Health Foundation has joined forces with the Community Health Council of Wyandotte County and committed **$1.9 million to helping build a healthier Kansas**.

7 **New full-time community health workers trained** to conduct outreach, build trust and reduce barriers to accessing health care within racially diverse populations.

1K **Lower-income, underserved Kansas City residents helped** through care coordination.

> Our underserved community faces many challenges, so it is beautiful to be there to help families connect with resources and be by their side.
